QUALITY NEVER GOES OUT OF STYLE

This collection meets the needs of a dynamic, heterogeneous public that wants to personalise homes with original, customized solutions. The depth of the material and the intensity of the colors are the protagonists of these fresh, modern surfaces where light accentuates the attractive three-dimensional effects of the textures, with delicate designs inspired by new graphic elements combining modernity with tradition.

Redesign Your Spaces

Many times, little details make large projects. In life and interior design the details awake your emotions collection that mixes traditional and modern pieces. Inspiring nice and friendly environments, commercial and residential, perfect to enjoy some time to disconnect.

The colour palette combines pale and bright hues, underlining each colour, with a special pattern inspired by classic wallpapers and scenographic decorations, whose wealth of detail is enhanced by the special matte effect and touches of glossy finish.

CHOOSE TILES WITH SOFT
AND HIGHLIGHTING COLORS
TO CREATE A CONTEMPORARY
LOOK FOR YOUR PLACE

The main theme of our decorative tile is, without a doubt, the hydraulic wall tile. The antique style is fashionable again. The constant search of being singular encourages the interest in the past. Nowadays, people are seduced by worn out shapes and vivid colours like the ones we can find in the clay. A contemporary vision of an antique style.

**A SPLASH OF VINTAGE DECOR TO
BRING EXTRAORDINARY ATTENTION
TOWARDS ITS LUXURIOUS APPEAL**

The tendency of walls recovered with drawings is returning, not only for complete rooms but also at specific areas of lounges, dining area, receptions...it is for that reason that the wood and the marquetry return to form part of the new homes.

Remarkable And Singular

A magic that allows time to be lived and enjoyed in both directions. Objects and concepts that trace a bygone era yet have the energy to bound back into the present.

A beauty that manages to bypass the limits of time itself. The real definition of beauty, a material which reclaims the hand-chipped authenticity of yore, of the fundamental architecture that gave life and character to many a medieval square, yet which reinvents itself with stunningly contemporary timeliness.
