STUNNING ELEMENTS

The shades that comprise the Glossy series, thanks to their sobriety and naturalness, perfectly integrate with the contemporary style of home furnishing. The minute details that characterized the glossy collection are seen best in the three-dimensional structures decor; in the Wall 3D, for example, built from small bush-hammered, honed and sand-blasted pieces, or in the Rub decor, which with its worked surface, tells the story of the material quality of sedimentary stone. The Wall Clad interprets an assemblage of tradition, which combines perfectly with the rest of the collection, thanks to its naturalness.

COLLECTION OF TILES.**

A magic that allows time to be lived and enjoyed in both directions. Objects and concepts that trace a bygone era yet have the energy to bound back into the present. A beauty that manages to bypass the limits of time itself. The real definition of beauty, a material which reclaims the hand-chipped authenticity of yore, of the fundamental architecture that gave life and character to many a medieval square, yet which reinvents itself with stunningly contemporary timeliness.

ESTABLISH A CHARISMATIC EMINENCE IN YOUR SPACES WITH REINVENTING SURFACES

This collection interprets a decor concept based on the structures and contrasts of light created on the many finishes of ceramic surfaces. The beauty of Surface derives from the proximity of polished or matt, shiny or mother of pearl spaces, mutually emphasised by the light reflecting on the slabs. The decor exalts the trendy colours inside the geometric compositions, including three-dimensional, mosaic, walls, stylised designs with a natural shape, to compose elegant, sober and refined walls.

The Story Of Elegance

The natural world offers a myriad of design possibilities. Each acts as a door, opening up a world of inspiration for us. From the most striking, to the subtlest, our designs are a tribute to nature's artistic prowess. This is why we find ourselves on a never-ending the quest to replicate the best of Nature in our tiles. We source natural products from around the world, dedicating our designs, technology, and manufacturing, processes to providing a closer to-nature-look. It's more than a way of life for us. It's the ethos we live by, creating designs that make a fashion statement, designs that are natural, and designs that blend in and reflect the mood.
